About NSE: In its 20 year history, NSE has transformed the capital market, based on technology, innovation, high standards of governance and management practices. NSE's business practices and high levels of integrity have earned it the trust of the financial markets worldwide. Besides being a platform of choice for all exchange traded financial products In India, NSE's flagship index, the Nifty 50, has become a benchmark national level economic parameter. Since inception, the exchange has been covered extensively by global media and has won many accolades as recognition of this remarkable journey.

About IISL: IISL, a NSE group company, provides wide array of indices and index related services for the capital markets. It maintains more than 100 equity & fixed income based indices as well as investment & risk management tools etc. Along with NSE, many such products are traded on overseas exchanges like Singapore Exchange (SGX), Chicago Mercantile Exchange (CME) and Osaka Securities Exchange (OSE). IISL also actively maintains large number of index and exchange traded funds.
