NSE Indices launches Nifty 5 yr Benchmark G-Sec Index

Index tracks the performance of the most liquid 5 year government security

Mumbai: NSE's index subsidiary, NSE Indices Limited has today launched an index that measures the performance of the most liquid government security in the 5 year maturity segment.

The 'Nifty 5 yr Benchmark G-Sec Index' is single bond index tracking the most liquid 5 year benchmark security issued by the Government of India.

The index has a base date of September 03, 2001 and a base value of 1000. It is computed on total return methodology. The index composition is reviewed on a monthly basis.

"With a well-defined, rules-based market-relevant construction approach and long back-tested history of more than 18 years, the Nifty 5 yr Benchmark G-Sec index will strongly appeal to fixed income market participants as a reliable benchmark for the 5 year G-Sec segment. The index is also expected to be a reference index that can be tracked by passive funds in the form of Exchange Traded Funds (ETFs) and index funds" said Mukesh Agarwal, CEO – NSE Indices Limited.

The index values will be computed on an end of day basis.
