### **NSE Indices launches Nifty Smallcap250 Quality 50 Index**

NSE's index services subsidiary, NSE Indices Limited today launched a new quality based strategy index – Nifty Smallcap250 Quality 50.

The Nifty Smallcap250 Quality 50 index consists of 50 stocks selected from its parent Nifty Smallcap 250 Index based on 'quality' score. The quality score for each company is determined based on return on equity, financial leverage (except for financial services companies) and earning per share (EPS) growth variability of each stock analysed during the previous 5 financial years. The weight of each stock in the index is based on a combination of stock's quality score and its free float market capitalization.

The base date for the index is April 01, 2005, and base value is 1000. Index will be reconstituted and rebalanced on a semi-annual basis in June and December.

The index is expected to act as a benchmark for asset managers and be a reference index tracked by passive funds in the form of Exchange Traded Funds (ETFs), index funds and structured products.
