PRESS RELEASE

Mumbai, April 21, 2025

Corporate Action Adjustment for Sterlite Technologies Ltd. in Nifty indices

NSE vide its circular NSE/CML/67599 dated April 17, 2025 has announced special pre-open session to be conducted for Sterlite Technologies Ltd. (STLTECH) in Capital Market segment on April 24, 2025 on account of demerger of company's Global Services business into the STL Networks Ltd.

In accordance with the index methodology, demerged entity STL Networks Ltd. (with a dummy Symbol "DUMMYSTLTE") shall be included at zero price without divisor adjustment in following indices effective from April 24, 2025 (close of April 23, 2025).

Sr. No.	Index Name
1	Nifty Microcap 250
2	Nifty Total Market

For detailed guidelines regarding handling of corporate actions involving demergers in Nifty indices, please refer index methodology document published on our website www.niftyindices.com.

About NSE Indices Limited:

NSE Indices Limited (formerly known as India Index Services & Products Ltd. - IISL), a subsidiary of NSE, provides a variety of indices and index related services for the capital markets. The company focuses on the index as a core product. The company owns and manages a portfolio of indices under the Nifty brand of NSE, including the flagship index, the Nifty 50. Nifty equity indices comprises broad-based benchmark indices, sectoral indices, strategy indices, thematic indices, and customised indices. NSE Indices Limited also maintains fixed income indices based on Government of India securities, corporate bonds, money market instruments and hybrid indices. Many investment products based on Nifty indices have been developed within India and abroad. These include index-based derivatives traded on NSE and NSE International Exchange IFSC Limited (NSE IX) and a number of index funds and exchange traded funds. The flagship 'Nifty 50' index is widely tracked and traded as the benchmark for Indian Capital Markets.
